Conference on Issues in Economic Theory and Policy

About the conference:

Department of Economics, Presidency University is organizing a one-day conference on "Issues in Economic Theory and Policy" on 2 November 2015. The objective is to encourage young researchers, who are undertaking M. Phil / Doctoral research or have completed such research, to present their output before a broader audience and receive a critical feedback on their work by renowned economists.

Call for papers and areas of interest:

Interested researchers and academicians are welcome to submit theoretical and empirical papers relating to any area related to economic theory and policy issues.

Contributors are encouraged to initiate new ideas and concepts for discussion. The conference is intended to provide a platform for interaction where young scholars may share cutting-edge developments in the field, and where they may benefit from a critical review of their work.

Abstracts should be sent in doc/docx format (set in Times New Roman with 12 fonts in double spacing), stating the title of the paper, name of author(s), institutional affiliation(s) and contact details. This should be followed by the abstract in 500 words and five key words. This should be sent electronically to the following address (econconferencepu@gmail.com) within the deadline. Authors whose abstracts will be shortlisted will have to submit full papers by 30 September 2015.

Important dates:

Date of conference:	2nd November, 2015 (Monday)
Deadline for abstract submission:	16th August, 2015 (Sunday)
Paper notification on or before:	31st August, 2015 (Monday)
Deadline for full paper submission:	30th September, 2015 (Wednesday)

Conference schedule is to be announced later

There will be no registration fees for participating in the conference. However, participants will have to arrange for accommodation on their own. All correspondences are to be made at the conference email address.
