

Supriya Pan

Curriculum Vitae

Presidency University
86/1 College Street
Kolkata 700073, India

Current Position

Assistant Professor (stage-2) August 29, 2021 – till date: Assistant Professor of Mathematics at [Presidency University](#), Kolkata, India. University profile page: [Link](#)

Previous Positions

Assistant Professor (stage-1) August 08, 2018 – August 28, 2021: Assistant Professor of Mathematics at [Presidency University](#), Kolkata, India. University profile page: [Link](#)

Assistant Professor (stage-1) March 23, 2017 – August 07, 2018: Assistant Professor of Mathematics, [Raiganj Surendranath Mahavidyalaya](#), Raiganj, West Bengal 733134, India.

National Post-Doctoral Fellow May 02, 2016 – March 22, 2017: National Post-Doctoral Fellow, at the [Department of Physical Sciences, Indian Institute of Science Education and Research Kolkata](#), India, funded by the Science and Engineering Research Board (SERB) under the Department of Science and Technology, Government of India (File No. PDF/2015/000640).

Advisor: Prof. Narayan Banerjee, Department of Physical Sciences, Indian Institute of Science Education and Research Kolkata, Mohanpur 741246, West Bengal, India.

NBHM Post-Doctoral Fellow February 01, 2016 – April 30, 2016: NBHM Post-Doctoral fellow at the [Department of Physical Sciences, Indian Institute of Science Education and Research Kolkata](#), India, funded by the Department of Atomic Energy, Government of India (File No. 2/40(60)/2015/R&D-II/15420). I left NBHM Post-Doctoral fellowship to avail the National Post-Doctoral fellowship.

Advisor: Prof. Narayan Banerjee, Department of Physical Sciences, Indian Institute of Science Education and Research Kolkata, Mohanpur 741246, West Bengal, India.

Education

Ph. D. Department of Mathematics, [Jadavpur University](#), Kolkata, India. Degree awarded on December 07, 2015.

Thesis title: "An Investigation on the present Accelerating Universe".

Advisor: Prof. Subenoy Chakraborty, Department of Mathematics, Jadavpur University, Kolkata 700032, West Bengal, India.

M. Sc Department of Mathematics, [Jadavpur University](#), India; Year of passing: 2011; **Marks: 81.6%**. (Special papers: [Quantum Mechanics](#), [Astrophysics](#), [General Theory of Relativity and Cosmology](#)).

B. Sc Mathematics (Major) with Physics and Chemistry as subsidiary courses from the Department of Mathematics, [Jadavpur University](#), India; Year of passing: 2009; **Marks: 82.16%** (First class with distinction).

(10+2) level Rampurhat High School, Birbhum, West Bengal, India; Year of passing: 2006; **Marks: 90.10%**; Board: West Bengal Council of Higher Secondary Education.

10th level Rampurhat High School, Birbhum, West Bengal, India; Year of passing: 2004; **Marks: 85%**; Board: West Bengal Board of Secondary Education.

Accomplishments, Awards & Honors

1. **Honorary Research Associate** at Durban University of Technology, Republic of South Africa.
2. **National Post-Doctoral Fellowship** from the [Science and Engineering Research Board \(SERB\)](#), Department of Science and Technology, Govt. of India.
3. **Post-Doctoral fellowship** from the [National Board for Higher Mathematics \(NBHM\)](#), Department of Atomic Energy, Government of India.
4. **Awarded the Senior Research Fellowship** from the [Council of Scientific and Industrial Research](#), Govt. of India, in the Mathematical Sciences division.
5. **Awarded the Junior Research Fellowship** from the [Council of Scientific and Industrial Research](#), Govt. of India, in the Mathematical Sciences division.
6. Qualified National Eligibility Test (**NET**) [[All India Rank \(JRF\) – 17](#)] conducted by the [Council of Scientific and Industrial Research](#), Govt. of India, in the Mathematical Sciences division and became eligible for PhD fellowship and Lecturship.
7. Qualified Graduate Research and Aptitude Test (**GATE**) conducted by the Indian Institute of Technology Roorkee in the Mathematics division [[All India Rank - 244](#)].

Social Responsibilities

1. **Editor** of the journal [New Astronomy Reviews](#), Elsevier.

Languages Known

Bengali: **Native**; English: **Fluent**; Hindi: **Average**

Computing Skills

Mathematica, Maple, Matlab, Cosmic Linear Anisotropy Solving System (CLASS)

Research Interests and Research Summary

I am a cosmologist, and my research interests lie in the interface of theory and observations. I am actively engaged in constraining several dark energy and modified gravity theories focusing on the tensions in the cosmological parameters. I have written two 'invited review' articles, one on the "Hubble tension" (invited by [Classical and Quantum Gravity](#)) and one on the "cosmological singularities" (invited by [Physics Reports](#)).

- **Research Summary:** The summary statistics of my research can be found at [INSPIRE-HEP](#) (last updated on July 05, 2026):
 - **Total number of published papers:** 137
 - **Total citations:** 13617
 - **Average citations per published paper:** ~ 99.4 (excluding self 64.9); h_{HEP} index: 58 (excluding self 45)

Seminars/Conferences/Workshops organized

1. I often take active roles in organizing the outreach programmes on Mathematics for school and college students. The details of the outreach programmes can be found at [“here”](#).
2. Organized an [International Workshop on Emerging Trends in Gravitation and Cosmology](#) [IWETGC - 2021 (online)] at the Department of Mathematics, Presidency University, Kolkata, India, during

December 16-19, 2021. Conference Link: ["here"](#).

- Convenors: Dr. Supriya Pan and Dr. Subhra Bhattacharya
3. Organized a one day seminar on ["Algebra in Mathematics and Physics"](#) jointly by the Department of Mathematics and Department of Physics, Raiganj Surendranath Mahavidyalaya (RSM) in collaboration with RSM Research Group, IQAC, on May 11, 2018.
 - Convenors: Dr. Supriya Pan and Dr. Debasmita Bandyopadhaya
 4. Organized a one day seminar on ["The Einstein's theory of Relativity and the Black Holes in the Universe"](#) jointly by the Department of Mathematics and Department of Physics, Raiganj Surendranath Mahavidyalaya (RSM) in collaboration with RSM Research Group, IQAC, on April 06, 2018.
 - Convenors: Dr. Supriya Pan and Dr. Debasmita Bandyopadhaya

Schools/Conferences/Workshops Attended

1. ["Cosmological Tensions and its implication to Concordance Cosmology"](#) organized by the Institute for Fundamental Physics of the Universe (IFPU), Trieste, Italy, in collaboration with ICTP and SISSA, Trieste, Italy, during June 13-23, 2023.
2. ["Current Trends in Mathematics and its Applications \(NSCTMA-2019\)"](#) organized by the Department of Mathematics, Jadavpur University on 8th March, 2019.
3. ["Gravity at Different Length Scales"](#) organised by the Gravity Group of the Indian Association for the Cultivation of Science from 25th February to 27th February, 2019.
4. [30th meeting of Indian Association for General Relativity and Gravitation \(IAGRG\)](#) organized by the Department of Physics, Birla Institute of Technology and Science Pilani, Hyderabad campus from January 3-5, 2019.
5. [6th Topical Conference on Gravity, Cosmology, Astronomy and Astrophysics \(TCGCAA\)](#), at the Department of Physics, Visva-Bharati, Santiniketan on the 24th of September, 2016.
6. [school and workshop on cosmology \(IFSW-2015\)](#) organized by the Institute for Fundamental study, Naresuan University, Phitsanulok, Thailand, during 22nd August- 28th August, 2015.
7. ["Statistical applications to cosmology and astrophysics \(STATCOSMO15\)"](#), organized by the Physics and Applied Mathematics unit, Indian Statistical Institute, Kolkata, during February 10-13, 2015.
8. ["International Conference on Geometry and its Applications"](#) at the Department of Mathematics, Jadavpur University organized by the Department of Mathematics, Jadavpur University and the Tensor Society during October 16-18, 2014.
9. [32nd meeting of Astronomical Society of India \(ASI\)](#) during March 20-22, 2014 at Indian Institute

of Science Education and Research (IISER), Mohali.

10. 1st “**Topical Conference on Gravity and Cosmology**” meeting on 13th December, 2013 at Saha Institute of Nuclear Physics, Salt Lake, Kolkata, India.
11. “**Autumn School on Cosmology**” organized by the Department of Physics, Birla Institute of Technology and Science Pilani, Pilani campus, in collaboration with Inter University Centre for Astronomy and Astrophysics (IUCAA), Pune, from November 5-15, 2013.
12. “**Present Observational Constraints on Cosmological Parameters**” organized by IUCAA Resource Centre, University of Delhi from 28th January to 1st February, 2013.

Lectures & Posters Presented

1. (Invited contributory) talk on “**Cosmology after Dark Energy Spectroscopic Instrument: Λ CDM or Beyond?**” in the National Conference on “Emerging Trends in Mathematical Sciences: Analysis, Modelling, Computation and Algebra” (NCETMS-AMCA-2026) organized by the Department of Mathematics, Jadavpur University, India, during March 12-13, 2026.
2. (Invited) lecture on “**Cosmic Acceleration: Dark Energy, Recent Astronomical Observations and Emerging Challenges**” at the international conference “Frontiers in Mathematical Sciences: Theory, Applications and Innovations” (FMSTAI-2025), organized by the Department of Mathematics, University of North Bengal, India, during December 22 to December 24, 2025.
3. (Invited) webinar “**On the Dark Energy parametrizations and their Implications**” at the Friday Colloquium of the Institute of Physics, University of Szczecin, Szczecin, Poland, on November 25, 2025.
4. (Invited) lecture on “**Interacting cosmologies and the H_0 tension**” at the “International Workshop on Mathematical Modelling and Solution Procedures (IWMMS-24)” organised by the School of Technology, Woxsen University, Hyderabad during February 29 - March 04, 2024, in online mode.
5. (Invited) lecture “**On the Dark Energy Phenomenology – the case for Hubble tension**” in the focus workshop on “*Cosmological Tensions and its implication to Concordance Cosmology*” organized by the Institute for Fundamental Physics of the Universe (IFPU), Trieste, Italy in collaboration with ICTP and SISSA, Trieste, Italy, during June 13-23, 2023.
6. Talk on the “**Crisis in cosmology and the role of dark interaction**” in the 14th International Conference MSAST 2020 held during December 21-23, 2020, organized by the Institute for Mathematics, Bioinformatics, Information Technology and Computer Science (IMBIC), India.
7. (Invited) lecture on “**Tension in the dark**” in the 16th IMT-GT International Conference on Mathematics, Statistics and Their Applications (ICMSA 2020) during November 23-24, 2020, Organized by Centre for Mathematical Sciences, Universiti Tunku Abdul Rahman, Malaysia.

8. (Invited) lecture on **“Our Mysterious Universe”** in the two day National Webinar on *“Mathematics and its applications”* organized by Department of Mathematics in association with IQAC, Moyna College, on 30th September, 2020 and 1st October, 2020.
9. (Invited) lecture on **“Tensed H_0 ”** at the School of Physical Sciences, Indian Association for the Cultivation of Science, Jadavpur, on August 25, 2020.
10. (Invited) lecture on **“Dark Mathematical Equations of our Universe”** in a National level webinar *Advances in Theoretical and Mathematical Physics* organized by the Balagarh Bijoy Krishna Mahavidyalaya, Balagarh, West Bengal, in collaboration with South Maldah College, Maldah, West bengal, on July 27, 2020.
11. (Invited) lecture on **“Our geometrical Universe and its dynamics”** organized by the Department of Mathematics, Ramkrishna Mission Vidyamandira, Belur in collaboration with the Department of Mathematics, Ramkrishna Mission Residential College, Narendrapur, on July 23, 2020.
12. Talk on the **“Mathematical Equations of the Universe and Dark Energy”** in the Webinar Series – Online Summer School 2020 on Mathematics organized by the Department of Mathematics, Presidency University during June 27, 2020 to July 06, 2020.
13. Talk on **“A possible solution to the H_0 tension via interaction in the dark sector”** in the 30th meeting of Indian Association for General Relativity and Gravitation (IAGRG) organized by the Department of Physics, Birla Institute of Technology and Science Pilani, Hyderabad campus on 3rd January, 2019.
14. Talk on **“New constraints on interacting dark energy from cosmic chronometers”** at Topical Conference on Gravity, Cosmology, Astronomy and Astrophysics (TCGCAA), 6th edition, Visva-Bharati, on 24th September, 2016.
15. Talk on **“Analytic solutions for interacting dark energy and its observational constraints”** in IFSW-2015, Naresuan University, Phitsanulok, Thailand, during 22nd August- 28th August, 2015.
16. Talk on **“The Present Status of our Nonlinear Universe”** in the National Seminar on “Recent Perspectives on Nonlinear Mathematics and its Applications” organized by the Department of Mathematics, Siksha Bhavana, Visva-Bharati during March 25-26, 2014.
17. Poster on **“Will there again be a transition from acceleration to deceleration in course of the dark energy evolution of the universe?”** in the 32nd meeting of Astronomical Society of India (ASI) during March 20-22, 2014 at Indian Institute of Science Education and Research (IISER) Mohali, Punjab, India.
18. Talk on **“The Future of our Universe: A prediction from present scenario”** in the National Conference on “Emerging Trends in Physics of Fluids and Solids” organized by the Department of Mathematics, Jadavpur University, during March 06-07, 2014.

19. Talk on “**Dark Energy: How really dark it is**” in the National Conference on Non-Linear Dynamics, Analysis and Optimization (NDAO) organized by the Department of Mathematics, Jadavpur University, during January 9-10, 2014.

TEACHING

I have taught (and I am teaching) the following courses to the undergraduate and postgraduate students at Presidency University.

- 2026 (Even Semester) - PG I: Mathematical Methods -I, UG III: Mathematical Methods -I; UG II: Numerical Methods
- 2025 (Odd Semester) - PG II: Mathematical Methods II, PG I: Classical Mechanics, UG I: Geometry (Major), UG-I: Joy of Numbers 1 (MDC)
- 2025 (Even Semester) - UG III: Numerical Methods, UG II: Numerical Methods
- 2024 (Odd Semester) - UG III: Numerical Methods; PG II: Advanced Numerical Analysis – I
- 2024 (Even Semester) - UG III: Mechanics; UG I (GE): Integral Calculus and Differential Equations
- 2023 (Odd Semester) - UG III: Numerical Methods; PG II: Advanced Numerical Analysis – I
- 2023 (Even Semester) - UG III: Mechanics; UG II (GE04): Analytical Geometry of 2D
- 2022 (Odd Semester) - UG III: Numerical Methods; PG II: Advanced Numerical Analysis – I & Mathematical Methods II
- 2022 (Even Semester) - UG III: Mechanics; UG II (GE04): Analytical Geometry of 2D
- 2021 (Odd Semester) - UG III: Numerical Methods; PG II: Numerical Analysis
- 2021 (Even Semester) - UG III: Mechanics; UG II (GE): Analytical Geometry
- 2020 (Odd Semester) - UG III: Numerical Methods; UG I: Geometry
- 2020 (Even Semester) - UG II: Partial Differential Equations; UG III: Classical Mechanics
- 2019 (Odd Semester) - UG I: Geometry; UG III: Probability Theory
- 2019 (Even Semester) - UG II: Geometry I; UG III: Classical Mechanics

- 2018 (Odd Semester) - UG II (GenEd): Linear Algebra
