CORRIGENDUM

Admission Notification for Ph.D. Programme Session 2020-2021 commencing from January 2021

PU/FC/142/notice/admission/2020 dated 12/11/2020: applicants may refer to the notice for admission to Ph.D. Programme Session 2020-2021 commencing from January 2021.

Following amendment is made under **Available Research Areas**:

In addition to the given specialisations, following specialisations for Department of Life Sciences are amended.

Available Research Areas in Life Sciences

- a) Plant Biotechnology for crop improvement
- b) Ergonomics and Occupational health management
- c) Understanding light signalling mediated by photoreceptor proteins
- d) Cell biology of Neuroinflammation
- e) Toxicology, Integrative biology & Endocrine physiology of teleost
- f) Plant Genetics and molecular biology
- g) Environmental toxicology management
- h) Collective cell migration
- i) Microbial metabolites, ecological interactions (insect-plant-pathogen), weed biocontrol
- j) Cancer molecular biology
- k) Epigenetic regulation in plant and human, mechanisms in host-pathogen interaction
- l) Microbiology
- m) Eukaryotic DNA replication, DNA topology modulation
- n) Marine Ecology, Climate change studies, Taxonomy
- o) Cancer metabolism and therapeutics
- p) Cancer genomics & proteomics

Other contents of the notice remain unchanged.
