a) For papers with 5+1 credit system: the Internal assessment will be on 20% of the total marks allocated in the paper as per syllabus and subsequent modifications. The mode of the test remains open for the Instructor to decide.

b) For papers with 4+2 credit system: the internal assessment will be on 15% of the total marks allocated in the paper.

Therefore, for **Science** subjects, the marks allotted (15 marks) for the continuous evaluation of the practical / lab work may be treated as Internal assessment, as per the advice of the Dean of Sciences, thereby not opting to take a test for such papers for internal assessment.

➤ **Respective course instructors will send the questions papers to the students via email or Google classroom or such other platform. For further queries, the students may contact the respective course instructor.**
