GE and AECC Instructions:

UG First Semester

As per the new syllabus adopted by Presidency University in 2018-19, the UG (undergraduate) students of all the department study TWO CORE courses, ONE AECC (Ability Enhancement Compulsory Course), and ONE GE (Generic Elective) course in their FIRST and SECOND semester.

At the beginning of each semester, the students need to choose and register for GE and AECC courses in a particular time window provided by the university. After the courses commence, the students are also given an opportunity to change the course within a particular time period. The students must stick to the registration and change schedule published on the university website. No request for registration/ change can be entertained after the stipulated dates.

The entire registration process is done ONLINE. It is recommended to use Computer System instead of mobile to apply for registration/ change of GE/ AECC courses. To ensure that your registration is done, crosscheck your name in the list of applicants.

AECC (Ability Enhancement Compulsory Course): 4 credits

For the students of Natural and Mathematical sciences, Environmental Studies is the compulsory AECC in the UG first semester.
