Requisition Form

Date :

Name of the User			
Name of the Departmental-in-charge			
Address			
Mobile No. & Email ID of User			
Mobile No. & Email ID of Departmental - in-charge			
Instrument To be used	GCMS	HPLC	SEM
Information about Sample	1. Microbial/Plant/Animal/Synthetic product 2. Approx. Molecular Weight 4. Approx. Boiling point 3. Solubility & Polarity 5. Mixture / Single compound		
Nature of Sample (Powder/Liquid/Lyophilized/Gaseous)	Number of samples	Analysis Type (Qualitative/Quantitative)	

For Office Use Only

Signature & Seal of Instrument-in-Charge: Date:	Signature & Seal of HOD Date:
--	--

E.mail for Communication: dbt-builder-lifesc.2022@presiuniv.ac.in

N.B. Please bring a blank CD/ DVD for Data Transfer (Pen drives are not allowed).

Rate chart for Industry Users:

GCMS - 5000/hr (with auto generated MS data) for ready shot samples

- Pre-injection processing, if required =1500
- Analysis of output MS profile, if required = 1500

HPLC (Quantitative and Qualitative) – 3000/-

- With collection of fractions, if required – 1000/- additional charge.

SEM (with gold coating) – 5000/hr

Remarks (if any):
