

Office of the Dean
Faculty of Natural and Mathematical Sciences
Presidency University, Kolkata

NOTICE

Date: January 09, 2017

As per the MOU signed between Presidency University and University of Groningen, 3-4 1st year M.Sc. students of Physics, Chemistry, Life Sciences and Mathematics Department, Presidency University, Kolkata will get support for the summer research programme in next June-July 2017. Selected students have to work at the University of Groningen and the duration of the program will be around 6 weeks. Interested 1st year M.Sc. (Sem-II) students of the enlisted departments (**Physics, Chemistry, Life Sciences and Mathematics**) are asked to apply for the consideration of the above programme.

The students are also asked to go through the links of the University of Groningen (given below) to opt for suitable supervisors and research areas of their own choice and then submit a CV (hard copy) along the Statement of Purpose (SoP) to the Office of the Dean, Faculty of Natural and Mathematical Sciences as per the following:

1. The last date of submission of application is **16th January, 2017**.
2. Applicants need to mail the soft copy of the CV to dean.science@presiuniv.ac.in
3. A brief statement is required to highlight the interest of the candidate to visit the Groningen University.
4. At least 2 choices of suitable research areas are required for each candidate.

Dean, Faculty of Natural & Mathematical Sciences
