RECESS

Math GenEd for Chemistry, Geography & Geology Majors.

#GenED Group B with Mathematics is subdivided into two groups B-1 and B-2. In SEM-1/2 and 3/4 the slot GenED Group-B2 will be only for Mathematics. **GenED B-2 slot will be used for students with major in Geology, Geography, Chemistry.** GenED Group-B2 may then be used for Major# classes by other departments (excluding Geology, Geography and Chemistry).

Note:

- a) Departments may arrange extra **major** classes in any GenEd Slot if no student of that particular major subject opts for that GenEd combination.
- b) Routine for SEM 5 and PG to be prepared by the department.
- c) Students in their B.A/B.Sc curriculum will take 10 courses of their choice in the first two years of their study.
- d) Students majoring in the sciences will have to take at least two courses from the humanities discipline and vice versa.
- e) Sem I and Sem II: 3 GenEd courses in each semester; Sem III and Sem IV: 2 GenEd courses in each Semester.
- f) No student will be allowed to take English and English Language simultaneously in any semester.

In any semester a student can opt for only one subject from a GenEd group.

Prepared by the GenEd Cell.

For any clarification, rectification and suggestion pl contact GenEd Cell.

Our Note:

1. Gen-Ed D and Gen-Ed B1 (with French) slots for Third Sem have been used for Major Classes.
