** GenEd Group B contains Mathematics. Due to high enrollment in the Math courses we have provided two slots for **Maths only**. Please note that this does not apply to other subjects in Group B. Students from **Geology, Geography, Chemistry** will do their Math classes in the B2 slot while all other departments will do in the B1 slot.

Color Codes: 1) In **Yellow** (UG Ist year) and **Green** (UG 2nd year) slots no major classes can be scheduled unless there is no student enrolled for that GenEd group.

2) In the **sky-blue slots** departments other than Geology, Geography and Chemistry can schedule their major classes.

Venue for PG-Sem 1 theoretical lectures would be ZLT1. However, there might be few changes to accommodate GENED classes once central routine gets circulated.

Venue for PG-Sem3 classes:

Combination-1: 3 (DLS) + 14 (Botany) = 17 students (UG lab Botany/ Bot. Conf. Room)

Combination-2: 16 (DLS) + 16 (Zoology) = 32 students (ZLT2)

Combination 3: 2 students (DLS) Biochemistry section classroom

Combination 4: 1 (DLS) + 7 (Human Physiology) = **8 students (CIC Physiology section)**

Combination 5: **7 students (DLS) (CIC Microscopy/ UG lab Zoology)**
