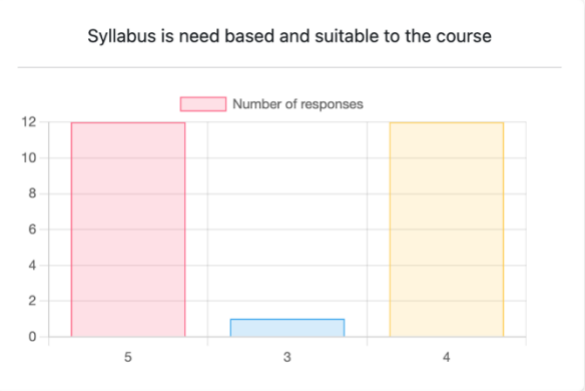
Curriculum feedback analysis By Employers

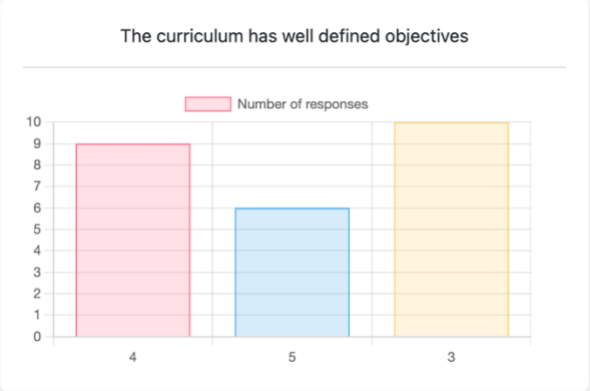
Introduction

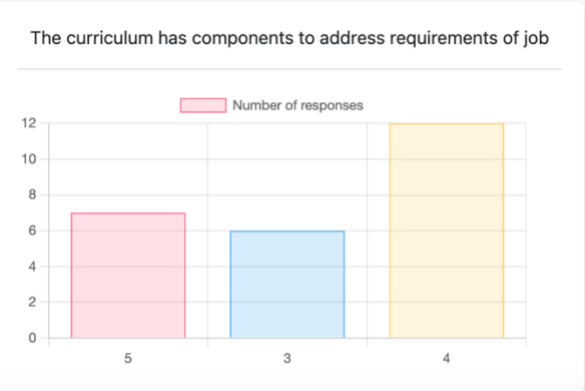
The IQAC team of the institution has collected feedback on curriculum from employers as part of quality monitoring and quality assurance practices implemented in the institution. The feedback link is also available in the website and all stakeholders are encouraged to fill in the feedback form.

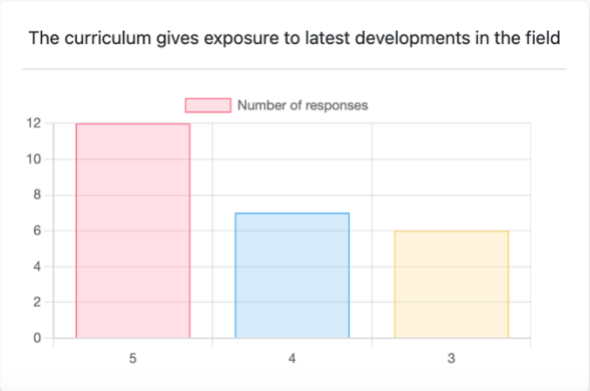
The data so collected by using an online software is also analyzed by the software and the result is reviewed by the IQAC team.

The following is the analysis of number of responses per question.



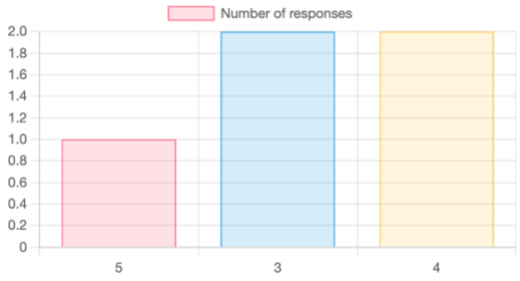






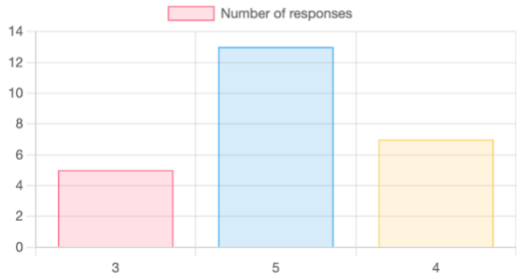
The curriculum contains adequate course content and reference material

Reference books are available in the library

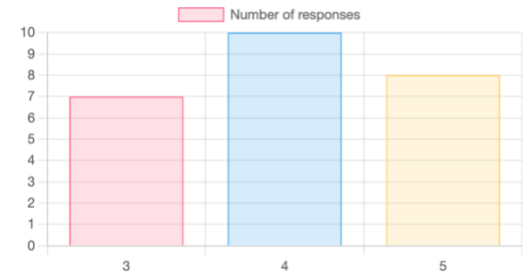


The curriculum contains adequate balance between theory and practicals

The curriculum provides experiential learning through student seminar, group discussion, projects, field visits

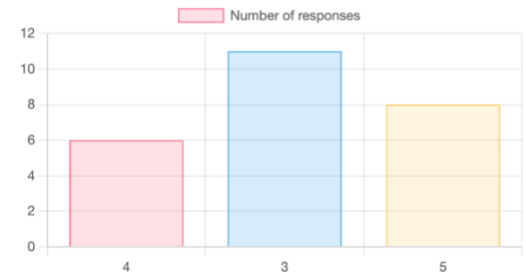


The curriculum contains sufficient elective papers



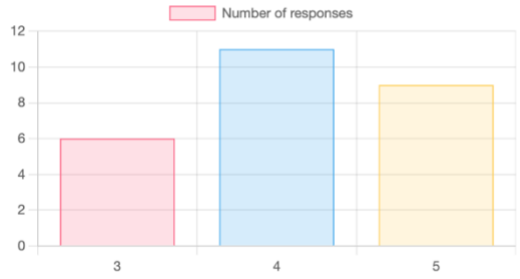
The curriculum provides options for continuous assessment through quiz and exams

The time provided to complete the curriculum is adequate



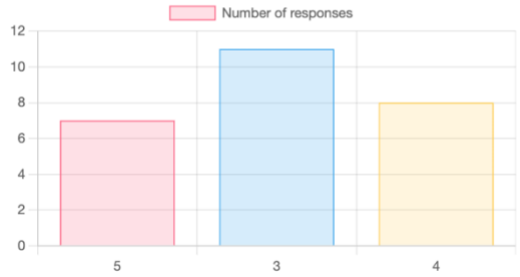
The curriculum facilitates adequate self learning

Board of studies is taking care to ensure the currency and relevance of the programme offering



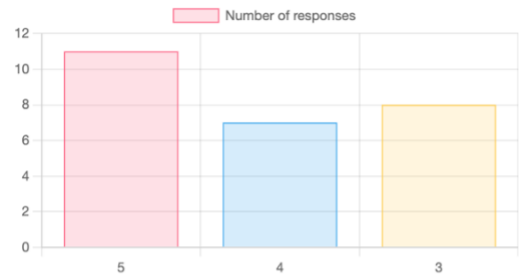
Employability is given weightage in curriculum design and development

Enough freedom to contribute my ideas on curriculum design and development

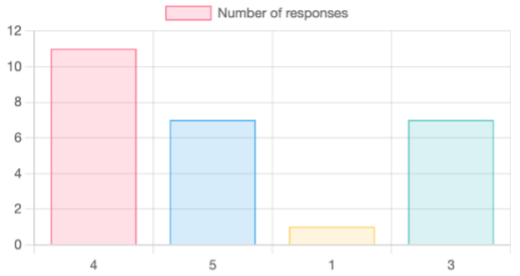


The system followed by the University for the design and development of curriculum is effective

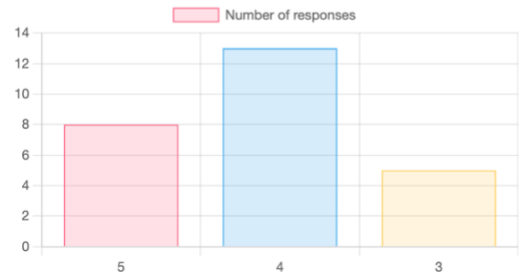
The curriculum has been updated from time to time



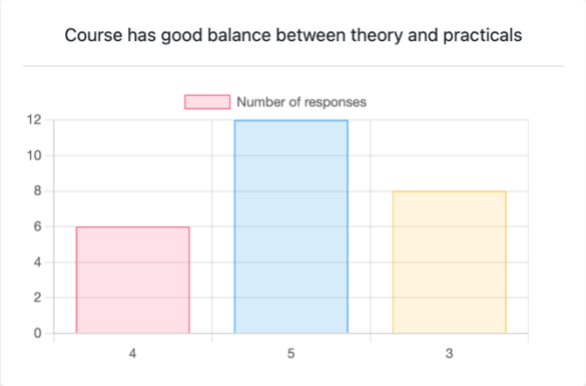
Representation from business and industry in Boards of studies is helpful in designing and improving the courses

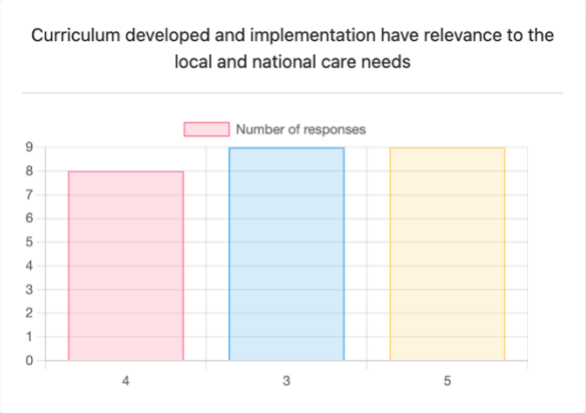


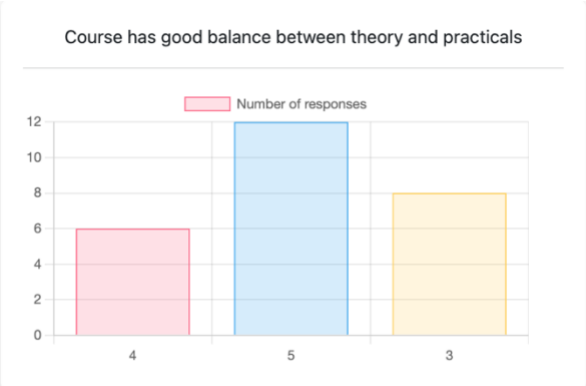
Course outcomes and program outcomes are well defined and clear

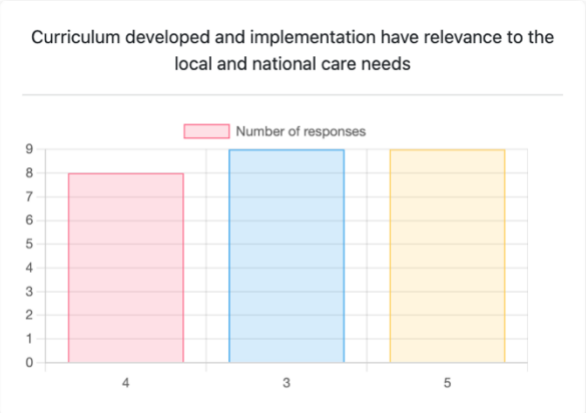


Course contents is research oriented









Average score

The IQAC team has also analyzed the overall responses and the average score per question. In order to achieve this, responses for each question was collected in a scale of 1-5, with 5 being the most favourable and 1 being least favourable. The average score was calculated over total responses collected over time for all the programs and it was analyzed by using the software.

The following is the analysis of average score per question.

The system followed by the University for the design and development of curriculum is effective *Average Score 4.038461538461538*

The curriculum gives exposure to latest developments in the field *Average Score 4.24*

Course has good balance between theory and practicals *Average Score 4.153846153846154*

The time provided to complete the curriculum is adequate *Average Score 3.88*

Employability is given weightage in curriculum design and development *Average Score 4.153846153846154*

The curriculum has been updated from time to time *Average Score 4.115384615384615*

Syllabus is need based and suitable to the course *Average Score 4.44*

The curriculum contains adequate balance between theory and practicals *Average Score 4.28*

The curriculum facilitates adequate self learning *Average Score 4*

Representation from business and industry in Boards of studies is helpful in designing and improving the courses *Average Score 3.8846153846153846*
