Dear Sucheta,

Please accept our congratulations on your final selection as the recipient of a Junior Research Fellowship in Computer Science and/or Mathematics, 2021, at the Institute for Advancing Intelligence (IAI), a part of TCG Centres for Research and Education in Science and Technology (TCG CREST).

The following may kindly be noted:

- The PhD degree will be awarded by the Ramakrishna Mission Vivekananda Educational and Research Institute(RKMVERI), subject to you fulfilling all the rules and regulations of RKMVERI
- Prior to submitting your final PhD thesis if TCG CREST becomes a new university, or sponsors a new university, then your PhD degree may be awarded by the new university
- If you have taken the qualifying examination but the results are still awaited, you will be admitted provisionally. Your admission will be confirmed only on receipt of evidence of your passing the qualifying examinations. You must submit the results immediately on receipt of the same to our Admissions Office
- You will have to undertake required coursework in the first year jointly conducted by IAI and/or RKMVERI. The coursework may extend into the second year. At the end of the coursework, a PhD qualifying examination may be conducted by RKMVERI as a part of your PhD registration process. If you are not successful in the exam, your fellowship may be terminated
- Your progress will be reviewed every year and if your progress is found to be unsatisfactory, your fellowship may be terminated
- Your admission is conditional on your satisfying the necessary eligibility conditions and also being certified medically fit by a Medical Officer

You are also advised to bring, at the time of admission, the following:

1. Original and attested copies of your mark-sheets and certificates of your Class X and Class XII Board Examinations, your Bachelor's Degree Examinations (all parts/semesters/years), and your Master Degree Examinations (all parts/semesters/years) and any other graduate/postgraduate level examinations that you may have passed

On confirmation of your admission, you will be entitled to a monthly research fellowship of Rs. 40,000/- (Rupees Forty Thousand only) per month and an annual contingency grant of Rs. 1,00,000/- (Rupees One Lakh only) which will be payable solely based on the discretion of TCG CREST - IAI authorities. During the tenure of your PhD programme, if your academic and/or research performance as evaluated solely by TCG CREST - IAI authorities is considered to be outstanding, then your monthly fellowship may be increased up to Rs. 60,000/- (Rupees Sixty Thousand Only). The evaluation will be conducted after two years.

If you decide to leave the programme in the middle, you must intimate IAI in writing at least three months in advance of your actual date of departure.
